

The Association of Traditional Chinese Medicine and Acupuncture UK

英国中医药学会 (ATCM)

The Second China-Europe Forum on Cooperation and Development of Traditional Chinese Medicine

London, UK

The Second China-Europe Forum on Cooperation and Development of Traditional Chinese Medicine, which is hosted by the Association of Traditional Chinese Medicine and Acupuncture UK (ATCM), is the larger and higher level academic TCM forum in Europe. This forum collecting well-known experts about Chinese medicine, professional of traditional medicine and scholars from all over world, making great contributions for the development of contemporary Chinese medicine, getting strongly support from the local government and health authorities, embodying the culture of traditional Chinese medicine, science and technology, the social value of recognition in Europe.

The ATCM is the largest and leading regulatory and representative body for practitioners of the traditional Chinese medicine (TCM) in the United Kingdom. ATCM currently has over 700 members who are qualified to practice TCM including acupuncture. Founded in 1994 as a voluntary self-regulatory body for TCM practitioners, ATCM aims to promote the excellence in the practice of traditional Chinese medicine by establishing the high standards of professional qualifications, Codes of Practice and Professional Conduct in the UK to serve and protect the UK public, as well as promote the development of TCM internationally.

The Second China-Europe Forum on Cooperation and Development of Traditional Chinese Medicine is scheduled on 12th to 16th August 2017 in London, UK. We will arrange various forms of showing exhibitions during this forum.
