

## Notice of the Disciplinary Outcome

### Termination of Mr G's Membership with Immediate Effect

Mr. G (Membership Number: FM\*\*\*\*\*26) was lawfully ordered by the court to complete six months of community service for a criminal offence. Although this criminal conduct did not occur within a professional context nor bear direct relevance to his clinical practice, its nature constitutes a serious breach of the Articles of ATCM and the relevant professional standards, including the Code of Practice and the Code of Professional Conduct.

In accordance with ATCM disciplinary procedures, the Council had previously imposed a six-month suspension of his membership. Upon completion of the suspension period and in line with the ATCM's regulations, this member was required to submit a formal application for reinstatement and to undergo an Enhanced DBS check.

The member has since formally confirmed that he will not seek reinstatement. Following final deliberation and resolution by the ATCM Council, the following decision has been reached:

**Mr. G's ATCM membership is terminated, and all associated membership rights are withdrawn.**

Effective immediately from the date of this notice.
